

CALVING PEN

PRODUCT CODE: HCCVS

Arrowquip's Calving Pen is packed with features including a self-catching head gate, split gates on both sides for easy access, and a 6' rear door that swings wide for maximum accessibility when necessary. The crowd gate enables the operator to quickly and safely secure the animal in the head gate. Best of all, the heavy-duty construction can be counted on for a lifetime of reliable use, and it integrates easily with the full lineup of Arrowquip products.

SPECIFICATIONS

- Heavy-duty construction.
- Self-catch head gate.
- Split gates both sides for full access.
- 6' door at rear.
- Removable posts at rear allow for locking of crowd gates enabling use for basic chute.
