

# CATTLE SQUEEZE CHUTE TRAILER

PRODUCT CODE: PT500

Arrowquip's Cattle Squeeze Chute Trailer uses a yoke-style design, making it easy to maneuver into position to connect to the chute. The hand winch enables you to load the chute quickly and safely before securing it to the trailer. The options of using either the pin-style hitch or ball hitch offer increased flexibility to the towing set up. This trailer is specifically designed as an option for the Q-Catch 86 Series, Q-Power 106 Series, and the 200 Series chutes. Heavy-duty construction lets you pull the trailer easily, offering safe, easy, and long-lasting use.
